## New Church Website

We now have a brand new website:

[www.hartshornechurch.org.uk](http://www.hartshornechurch.org.uk)

There have been so many changes in the church over the last six months that we needed a way to keep the website updated.

I have taken on the job and it has been a steep learning curve! We had to find a new host and pay for a new domain (hence the change of website name). I have had invaluable help from Nigel Coupe who is in charge of Melbourne Church website. Nigel rings at Melbourne on a Sunday morning but comes here to attend the service with his son Andrew (one of our regular bell ringers).

This is a work in progress and I am gradually adding more and more to the site. You will see that I have included photographs and I may well be asking to take your photo to add to the "Meet the Team" page.
