Remembrance Sunday

## New Windows for Church Hall

The fitting of double glazed replacement windows now completes the refurbishment of the church hall, for which we had a grant from the Coalfields Regeneration Trust and a donation from Hartshorne Charities. Thank you to all who have worked so hard over the past year to achieve this end result. It is great to have an attractive venue which is used regularly each week by so many people. Jane Horan

## Christmas cards

This year we would like to deliver a Christmas card to every home in the parish. We are asking as many people as possible to donate Christmas cards and to write a message inside. We are designing an insert with details of the Christmas services to be included with each card. We then need as many people to deliver cards during the first week in December in time to publicise the first Christmas service (Christingle on 8<sup>th</sup> December).

If you want to be part of this important outreach opportunity please speak to Jane or Dave and we will give you more details.
