**WE NEED YOU!**

The Vision for the Church  
 Everybody Welcome

Please join our Work Party on Saturday 20<sup>th</sup> June at 9am

AIM: To create a café type area in the North aisle so that it is more inviting to people to come for a drink after the service and stay chatting.

WHAT WE NEED TO DO:

- Empty old magazines from chest, move chest, refill it.
- Remove banners from church
- Move coat hooks from North aisle and put in kitchen in front of chancel window.

- Fold back the doors dividing the kitchen from the North aisle.
- Remove the desk from the kitchen and take to dump, unless someone wants it.
- Renovate the tiles above the sink.
- Remove white board.
- Sort out children's cupboard and throw out anything old and tatty.
- Do the same in the sink cupboard.

If you aren't able to do any heavy lifting you would be very welcome to come along to make refreshments to keep the workers happy!

**For the Future**

Make new signs to indicate the toilets.  
 Put an island unit in the kitchen.  
 Buy 5 new tables for the North aisle for coffee time, some to sit at and others to stand at.

**THE LADDERS IN THE NORTH TRANSEPT**

**SUE'S ORDINATION**

You will be pleased to know that Sue Ives-Smith will be ordained on Sunday 5<sup>th</sup> July at 10.45am at St Oswald's, Ashbourne. It has been agreed that as so many of our congregation wish to attend the service to support her on this special occasion, we don't have a service here at St Peter's that day. Please speak to Sandra if you have space in your car or need a lift. We are arranging to have a party for Sue that at 2pm that same afternoon in the church hall for people to come to straight after the service in Ashbourne when you can have sandwiches and cakes and wish her well. More details later...

**THE DERBY MERCURY**

July 4<sup>th</sup> 1860

**HARTSHORNE.**

On Wednesday, the 20th ult., about 6 p.m. this village was visited by a very heavy storm of lightning and thunder, accompanied with torrents of rain and hail. During the storm the north east angle of the church tower was struck by the electric fluid and did much damage to that portion of the fabric, and a few of the stones fell through the roof. The lightning then passed into the bell loft and shivered to splinters an oak beam of the bell frame, in thickness about 7 inches by 9 inches. It then descended to the clock which is rendered useless, and finally made its escape from a west window of the tower, which it drove a distance of twenty yards. -- At a vestry meeting of the Hartshorne ratepayers, on the 26th ult., they unanimously granted a rate of 3d in the pound, to enable the churchwardens to put the whole fabric in an efficient state of repair, and lastly it was proposed that a subscription be commenced for the purpose of purchasing a new church clock, which was most cheerfully responded to.
