### NEW SERMON SERIES

Today we start a new sermon series on the book of Acts. This will run until Advent

Luke wrote the book of Acts (Acts of the Apostles) to record how believers were empowered by the Holy Spirit, worked to spread the Gospel of Christ, and are a model for the future church.

The book of Acts is also the history of the birth, the founding, and the spread of the Church from Jerusalem to Rome.

It records the transition of Christianity from a Jewish religion into an international faith. The Gospel of salvation is for all because Jesus Christ is Lord of all.

They had to endure many hardships. Paul was shipwrecked on Malta during one of his missionary journeys.
