THANK YOU to all those who helped at the church work party last week. You may have noticed the refurbished gates at the bottom of the drive and repaired floor coverings in the kitchen and toilets, The loose black and white marble tiles around the communion table have been re-laid in places, vegetation around drain coverings cleared and the rainwater goods cleaned out. It is good to come together and use our skills as part of the body to make our church a safe, attractive place in which to worship,
