## CORONAVIRUS (COVID-19) GUIDANCE FOR CHURCHES

General guidance from the Church of England and the Government

The threat posed by COVID-19 has been assessed by the Chief Medical Officer as 'moderate'. This permits the Government to plan for all eventualities. The risk to individuals remains low. Individuals should

follow good hygiene practices, using tissues to catch coughs and sneezes and binning the tissues, and keeping hands clean.

There is no Government advice at present to suggest that the use of the common cup at Holy Communion should be suspended.

**Churches should already be following best-hygiene practices** that include advising parishioners with coughs and sneezes to refrain from handshaking during The Peace and to receive Communion in one kind only.

It is also best practice for churches to have hand-sanitisers available for parishioners to use.

In addition, priests presiding at the Eucharist, communion administrators and servers should wash their hands, preferably with an alcohol-based (minimum 60%) hand-sanitiser. Best hygiene practice should continue to be observed in all pastoral contacts.

## **Open Doors**

### **DETERMINATION IN SUDAN (#7)**

In Sudan, which is number 7 on the World Watch List, there is no freedom of the press and no freedom of expression. Blasphemy laws are being used to persecute Christians - many are afraid to share their faith. Leaving Islam to follow Jesus is illegal and can be punished with the death sentence, and believers from Muslim backgrounds often keep their faith completely secret.

#### **A PRAYER FOR SUDAN**

Lord Jesus, thank You for the determination of Christians who are choosing to follow You at great personal cost.

Help them to continue to stand strong in their faith and be a witness to their families and communities. Bring Your peace and healing to the nation.

The Parish Giving Scheme has moved premises. There is no need for you to do anything. Their bank details remain the same. If you need to contact them their new address is:

## Past Case Review 2

Individual survivors who wish to make representations to the PCR2 process in the Diocese or who need to come forward with information or make any disclosures regarding church related abuse are encouraged to make direct contact with the Diocesan Safeguarding Team 01332 388678.

However, recognising that this may not feel safe for those with experience of abuse from within the church, there is a dedicated national helpline

- 0800 80 20 20 -

This helpline which is operated independently from the church, by the NSPCC, was set up in September 2019 and remains available.

## OFFERINGS

We do not have a collection during our services as we do not want anyone to feel obliged to give. What is important is that you experience the Lord's blessing during your visit. If you would like to support the work and upkeep of our church, there is a blue bag on the side of the sound desk for offerings. If you regularly attend our services, please speak to our treasurer Deb Worth, who can advise you on effective ways of giving. Thank you.
