

Sunday 6th February 2022

This week's service

Today's service is led by Nigel Worth with Debbie Patrick preaching

This week's reading

Isaiah 6:1-8
Luke 5:1-11

A thought from Debbie

How 'present' do you feel God is when you are out and about? Do you find it hard to sense his nearness when you are shopping or at work?

It can be much easier to feel close to God when you are surrounded by your Church family on a Sunday or looking at a beautiful landscape.

Spend some time thinking how you would respond if Jesus were to ask you to go with him on a trip. Would you say yes straight away or would you like to know some detail about the trip first, how far, how long..

Prayer for this week

Lord of the hosts of heaven,
our salvation and our strength,
without you we are lost:
guard us from all that harms or hurts
and raise us when we fall;
through Jesus Christ our Lord.
Amen

Children's group

A group for children called JIGSAW is held each week in the North Aisle. After the 2nd hymn/song they will be invited to gather in the North Aisle for news time. Various activities will be chosen from the Scripture Union books and will include a Bible story and prayer. There will also be a snack!

Church Vision

Over the next few weeks, in preparation for our Vision

Day, we would like everyone who worships at St. Peter's Church, to share their vision about the next steps on our journey of faith together. How do you think the Lord wants us to grow as a church?

If you can, please pray every day about this. Please note down what you believe should be part of our vision.

These prompts may help you:

1. What do you love doing most? How would you like to use the things you love to bless one another and/or our wider community?
2. Please make a note of any verse(s) that you believe the Lord has given you.
3. Share any dream, thought or vision that you believe is from the Lord.

You do not have to answer each of these prompts but please contribute what you can because, as part of the Body of Christ at St. Peter's, we all have an important part to play in blessing and encouraging each other.

Minster Lenten Course

EXPLORING GOD'S MERCY by Bishop Steven Croft

As a Minster I'm inviting us all to follow the same course of material and to form some new Lenten groups. The short study guide focuses on five classic themes of the Christian gospel over 5 weeks.

Lost and finding the way

Trapped and set free

Sick in soul and healed

In turmoil and being at peace

Barren and becoming fruitful

Each chapter explores one of these images through stories, popular culture, biblical material, and Christian tradition.

Do you want to join a group and do this Lenten course with others? We will be kicking off this course on Ash Wednesday at St John's Newhall where you can welcome in Lent, worship together, and sign up for the course and join a group.

Please clean the church before the date marked. Please swap with someone else on the rota if you cannot clean during your week.

Bonus note: The toilets will be cleaned weekly by Sean & Sandra, so no need to clean.
