This week's readings

Today's service is led by Nigel Worth with Rev Bex Allpress preaching

Ezekiel 37:1-6
John 14:15-29

A thought from Bex

This week we are considering how sometimes our lives can feel dry. That is to say, there are times in life when we find ourselves in need of refreshment by the Holy Spirit of God. In John 14:15-29 Jesus says that for those people who love Him, they will digest His teachings and act upon them in their lives. As a result, God and Jesus will make their home with these people. This then becomes like an upward spiral of reciprocating love and blessings that helps us to better shape our lives centred around our faith.

This week may we allow ourselves to be open to the movement of the Holy Spirit in and around us, so that for those times when we feel dried out by the weariness of life, we may find a renewed sense of energy in the Lord.

Update on face coverings

In line with national guidelines and after discussion at our recent PCC meeting we have decided that from June wearing a face covering in church will **NO LONGER BE REQUIRED.**

We ask you to continue to use hand sanitiser on entering church and to maintain a sensible distance from others, especially if you choose to continue to wear a mask. If you feel unwell please stay at home.

We understand that some of you may feel anxious about not wearing a face mask. Please talk to Sandra if you have any concerns.
