This week's reading

This week's service led by Debbie Patrick with Sandra O'Toole preaching

Psalm 146

A thought from Sandra

Many of the psalms, and particularly the final few, focus on praising God. Maybe, in our busyness, we have difficulty finding time to do this; our times with the Lord might be taken up with praying about our own needs or the needs of those who matter to us. However, praise is important, not only because it pleases the Lord to know how highly we think of Him, but also because as we look at Him and His character (caring, forgiving. etc) we see the pattern for how we ourselves should be living.

All about the CVS Food Hub which is currently located at Hill Street Baptist Church.

It's a sad fact that many people within our community experience food poverty; that's why our Food Hub strives to make sure that no one has to go hungry.

We offer a service where the individual is central, ensuring that our clients physical and mental wellbeing are equally safeguarded. By creating a warm, welcoming environment and a space for healthy conversations, we endeavour to reduce the stigma attached to people accessing a Food Bank.

We work closely with other support-based services and signpost our clients for them to have access to more in-depth support such as debt advice, dealing with housing issues and addressing energy poverty.
