Friends,

I love Easter time, always have. However, trying to define or tie down exactly 'why' is more difficult.

Let me try...

I grew up going to a traditional Roman Catholic Church as a boy - serving at altar and always putting far too many coals and far too much incense in the thurible at Easter time. So, there are smells that I remember at High and Holy times.

As a teenager I would attend the local Methodist Church in the evening - they had lots of youth and a worship band! At Easter time we would go away for a weekend and join other 'Methodist' youth. The noise of so many youth all together brings back such fond memories of Easter.

As a Family we have often gone to Spring Harvest, before, during and after Easter Day. That festival gathering - worship and teaching - brings back so many amazing memories and 'turning' points in my walk with the Lord.

Later on in life, as a Priest, there is something very special about leading or just being part of a Dawn Service on

Easter morning. That, perhaps, is my favourite service of all that one could be part of over Passion fortnight. Walking in the dark, singing as the sun comes up, rejoicing that our Saviour lived and died and rose again for us all.

But, Less of me... what makes Easter special for you? What memories, smells, noises, challenges, services, gatherings, or traditions?

And remember if they're special to you, they're also special to the Lord.

He loves and cherishes us all dearly.

A blessed Easter to us all, one and all,

Mike Firbank  
Area Dean

## St Marks, Winshill

### World Day of Prayer

A wonderful service was enjoyed by members of churches from across Burton and the surrounding areas on Friday 2<sup>nd</sup> March for the World Day of Prayer.

The service this year was written by the ladies of Taiwan. It was moving to hear their stories and to learn about their lives, and humbling to know we were part of a worldwide wave of prayer with people from every corner praying for one another and for the world. Thanks to those who organised our service in Winshill and to those who lent us their orchids (the national flower of Taiwan) to so beautifully decorate our church.

### Family Fun on Good Friday

We look forward to a fun filled family morning on Good Friday at St Mark's from 11am-1pm. There will be lots of crafts to try, an Easter garden to build, a short time of songs, story and worship and hot cross buns, of course!

We encourage parents and/or grandparents to stay with the children throughout the morning.

If you would like something more sombre for Good Friday, come back at 2pm for an hour of reflection at the foot of the cross.

### Monthly coffee and cake.

Our open church afternoon is flourishing with a good number of people coming back each month to be waited on with fresh coffee, delicious homemade cake and treats and friendly conversation. Everyone is welcome. **Next date: Saturday 22<sup>nd</sup> April 2-4pm**

## Swadlincote Minster

### Swadlincote Minster Lent Prayer Day

On Saturday 25<sup>th</sup> March we held our first Prayer Day for the Minster. Several groups and individuals worked hard to produce prayer stations and the Community room at Gresley Church was opened from 10am until 4pm for people to drop in and stay for as little or as long as they wanted. The band led us in sung worship at the beginning of the day and we joined together for a short Compline type of service at the close. Refreshments were available throughout the day and a light lunch was also provided.

Numbers were lower than expected (primarily because there were some who intended to be there but who were hit by COVID 😊) but those who did attend greatly appreciated the peace and the sense that the Holy Spirit was moving us in our prayers. For me, it was a luxury to be able to spend virtually a whole day in such a way and I am hopeful that this will be the first of many similar days to come!

**On April 6th Maundy Thursday at 7pm there will be a simple meal with communion at Hartshorne Church hall.**

## Emmanuel, Swadlincote
