IT'S TIME FOR ACTION

Which of these will you do this week?

- Many North Korean Christians do not have a Bible, so they have to memorise portions of scripture. Follow their example and learn a passage of scripture by heart.
- Write out a chapter of the Bible by hand - as believers do in many parts of the world where the Bible is banned.
- In North Korea possessing a Bible is illegal. Probably nowhere else in the world are so many copies of God's Word literally hidden underground. This week, hide your Bible somewhere outside the house - in a shed, or another dry hiding place. Then, every morning, go out and retrieve it before reading it.
