Cafe Church at St Peter's an update from Rev Patrick Douglas

A Cafe Style Church service has been running on the evening of the 1st Sunday of each month in St Peter's Hartshorne, from January to June, It has been well attended by people from all the churches in Swadlincote and has drawn in a number of people from fringe groups and those who don't normally attend a church service.

This service has been run by a small group of people who were keen to put on this type of service and have been encouraged by the way the services have gone.

We have now decided to take a break to review and look forward - to do this we are not having a service in July or August.

We are inviting anyone who would be interested in being part of a team to take this service forward, to come to an open meeting on Sunday 1st July at St Peter's Church at 6.30pm.

Please encourage people to come along if they would like to play a part in developing and putting on this Cafe style service. We are looking for people who are open to both helping plan and organise the services and who can help practically on the Sunday evenings when the service is on.

If people want more information please contact patrickdouglas62@gmail.com
