This week's reading

Welcome to today's
Holy Communion service
Rev Bex Allpress is preaching

Psalms 65

A thought from Bex

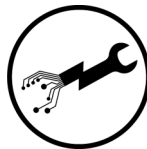

With so much perceived negativity in the world around us, how do we hold on to hope amidst the looming feelings of despair?

This week we will be exploring Psalm 65 to help us to refocus on the small everyday things we can be thankful to God for. This isn't an attempt at patching over the bigger issues but to encourage us to find ways we can still find joy and hope in a challenging world.

This week, may you be blessed by the small everyday things that gift us the opportunity to say thank you to God.

REPAIR CAFE

Woodville

organised by **Circularity.org**

Repair Cafe Woodville is volunteer powered and is designed to help members of our community to repair, reuse, and recycle.

This helps prevent items being thrown out needlessly and saves the cost of buying a replacement. It's better for the

environment too with less materials and energy needed to make new goods.

Volunteer repairers can tackle small electrical items such as toasters, hairdryers, lamps, radios and headphones. Clothing, garden tools, bikes, computers, hand tools and small items of furniture can also be considered for repair.

The repair service is free but donations are very welcome. An important aspect of the work of repair cafés is about empowering people to be able to do their own repairs in the future. Where possible you'll sit with the repairer and learn from them. This may be something like replacing a fuse, mending a ripped jacket or cleaning an item to keep it working properly. People cannot leave items and then pick them up later.

Woodville Repair Cafe meets on 2nd Saturday of each month from 10 am to 1.00 pm

ALL WELCOME

The focus of this Gospel reading is about the paralysed man who was lowered through the ceiling for healing. Jesus said to Him "Take your mat and walk!"

We will be discussing the place of miracles today and how we can be encouraged to have faith as strong as the paralysed man and his friends.
