

This week's service

Sunday 13th November 2022

This week's reading

Welcome to today's
Remembrance Sunday service
led by Debbie Patrick
with Rev Bex Allpress preaching

Psalm 85:8-13

A thought from Bex

Today we remember and think about all the men and women who have served in our armed services – both past and present – those who survived, those who were injured and those who gave their lives – to secure for us and for others a safer place to live.

The love they have shown to us strangers is a glimpse of selfless love and so let us be inspired by their bravery and love to be more grateful for what we have. **Amen.**

Prayer for the week

God, our refuge and strength,
bring near the day when wars
shall cease
and poverty and pain shall end,
that earth may know the peace
of heaven
through Jesus Christ our Lord.
Amen

WE WILL REMEMBER THEM TODAY TOMORROW FOREVER

During half term we visited the National Memorial Arboretum with our grandchildren. I'd seen it many times on the TV but had never actually been there. The Armed Forces Memorial is the centrepiece of the arboretum with some very moving sculptural scenes and the names of all those killed in conflicts since World War II.

There was a lot to take in but it was a beautiful autumnal day and we were able to enjoy a picnic and explore the trails designed for children. Dogs are welcome on leads (apart from at the Armed Forces Memorial) so it was a family friendly day out. If you haven't been I would highly recommend a visit. Entrance is free but parking costs £6 (£4 if booked online). Jane Horan

SOUTH DERBYSHIRE CVS FOOD HUB

"Volunteering has given me a purpose. I needed to get out and do something so I decided to give back to the community. I would encourage anyone to give it a try - you can make a difference!"

Our Food Hub is a warm, newly refurbished and welcoming space and we would like to expand our team. The demand for support has increased in the past couple of years and we need YOUR help! We are in need of people who are able to work at speed, have good mobility and feel confident enough to answer a call or meet & greet. The volunteer role will include helping with stock rotation, dating /sorting our donations or even collecting some of the donations from various supermarkets. The role will require lifting food donations which can be heavy at times. Commitment and reliability is very important in order to allow us to deliver the service on our opening days. Also, taking calls from members of the public looking for some support . Our existing team would be by your side to help and support you with any training required. Are you interested in this role? Please email volunteer@sd cvs.org.uk asap to express an interest. Telephone: 01283 219761
