This week's reading

Jeremiah 17

A thought from Mike

Jeremiah 17 teaches us something very important for today's world. Jeremiah was a reluctant prophet whose ministry covered 5 decades. He faced opposition, imprisonment and many personal struggles - but then the message he received from God was to proclaim that Jerusalem was going to be destroyed. He is also known as a teaching prophet and often he speaks out against false worldly teachings. There is much to explore in Jeremiah 17.

Prayer for the week

Eternal God,
whose Son went among the crowds
and brought healing with his touch:
help us to show his love,
in your Church as we gather together,
and by our lives as they are
transformed
into the image of Christ our Lord.
Amen

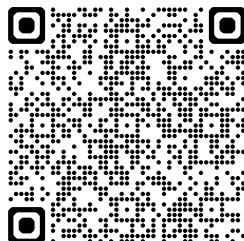

Lenten Scarf

Two years ago I knitted this scarf during Lent.

The idea is that you knit a small section of the scarf each day of Lent, then the scarf is finished ready for Easter Sunday. Each day has a bible verse that links to the pattern for that section.

If you would like to have a go, here is a link to the FREE pattern:
