Today's Reading

Deuteronomy 31:8

A Thought from Nigel

Why do we have road signs?

Ultimately these signs tell us different ways to go, they give us warnings, they tell us the speed limit and they show us when there are hazards, but ultimately these signs are there to help us.

Road signs are ways that can communicate with the driver, and God's Word is full of road signs indicating when to go or when to stop or maybe when to slow down.

This week will look together at what God says about the times to stop, go, and slow down.

If you have time take a look at Deuteronomy 31:8

Prayer for the week

Gracious Father,
you gave up your Son out of love for the world:
lead us to ponder the mysteries of his passion,
that we may know eternal peace through the shedding of our Saviour's blood,
Jesus Christ our Lord.
Amen

"If anyone is interested in going on the electoral roll, please complete a form (at the back of church) and return it to me.

Also I am putting together the report for the APCM, and if anyone who runs a group, or has a roll within the church would write a few words of what has been happening over the last year to be included in the report booklet, to please email them to me dotty_dora@outlook.com, or write them and pass them to me."
